^{*} If the purpose of application is Amendment or Withdrawal and the disposition action indicates that a Dismissal occurred, there may be a previous version of that application still pending in ULS. You are encouraged to utilize ULS Application Search to research the disposition status of all versions of a particular filing.

The Bureau's weekly Public Notices only provide basic information regarding applications filed and actions taken. Specifically, our Public Notices do not list detailed transaction descriptions or new call signs assigned by the Bureau as a result of assignments of authorization. The detailed instructions below are intended to guide interested parties in obtaining more detailed information via ULS.

How to view an application listed on this Public Notice via ULS.

- * Note the 10-digit file number listed on the Public Notice;
- * Access the ULS (instructions are on the internet at http://www.fcc.gov/wtb/uls);
- * From the Main ULS screen, click on the "Application Search" button in the frame on the left;
- * Type the application's 10-digit file number into the "File Number:" field on the Application Search screen;
- * Scroll to the bottom of the page and click the "Search" button;
- * When the search is completed, the application will be listed by file number on the screen.
- * Click on the file number (in hypertext) to view the application and attachments.

How to find new call signs created as a result of an assignment of authorization.

- * Note the Assignee Name and Action Date listed on the Public Notice for the applicable transaction;
- * Access the ULS (instructions are on the internet at http://www.fcc.gov/wtb/uls);
- * From the Main ULS screen, click on the "License Search" button in the frame on the left;
- * From the License Search screen, click on "General" and click "Continue";
- * Type the Assignee's Name in the "Licensee Name" field; and type the Action Date in the "Date Granted" field;
- * Scroll to the bottom of the screen and click on "Search";
- * When the search is completed, the call sign(s) will be listed on the screen.
- * Click on the call sign (in hypertext) to view the license parameters.
